EMPLOYER ASSISTED HOUSING PROGRAM

HOMEBUYER EDUCATION

Conducted at the worksite or offsite by Certified REALTORS® and lenders. Topics can include home affordability, homebuying process, mortgage applications and credit issues. Employees can connect with experts for one-on-one guidance and create plan to purchase a home.

CREDIT GUIDANCE

Provided by Certified lenders to help employees understand their options for homeownership, correct credit issues, and learn budgeting and mortgage

Create Custom Program for Staff

FINANCIAL ASSISTANCE

Employees can get connected with REALTORS® and Lenders who are trained to work with buyers who are utilizing special homebuyer assistance programs.

OPTIONAL EMPLOYER BENEFITS

Employers can create optional custom assistance programs for their staff.

Financial Assistance Provided by the employer in the form of a loan or grant to help with down payment or closing costs.

Matched Savings Matched by the employer in some predetermined ratio, to funds saved by the employee to help purchase a home.
